

GainesCon Action, Sci-Fi & Horror Film Festival
5808 111th Avenue East
Parrish, FL 34219

Dear GainesCon Partner,

I am writing to ask if you and your organization will become one of our valued sponsors for the 1st annual **GainesCon Action, Sci-Fi & Horror Film Festival** coming this November 2021. This local event runs annually with screenings of exciting short films, web-series, animation and cosplay art from all around the world! This will also include workshops from professionals within the entertainment industry to successful local businesses, such as yourselves to introduce and showcase your services. We believe diversity is the cornerstone of any successful event.

Now, a festival is nothing without a way to award the very artist that are contributing and entrusting us with their hard work. So, we will be having an award ceremony on the second day where the winners of various categories will be honored with our beautiful **Dragon trophies**. These are designed by our talented illustrator, David Jennings in Ireland. This is will be coupled with a chance to have global distribution on various streaming services.

We also plan to provide learning opportunities for local citizens. By them experiencing the process of selecting a film, working with a guest panel and workshops, these educational moments can, in many ways enrich their lives. Support from our partners will be used to help bring in local talents, strengthen our marketing campaign, lure in movie studio representatives and technical solutions to help make this event a success.

This event will be held on November 19th & 20th, 2021 virtually and physically at the **Green Light Cinema in St. Petersburg, FL**. You and/or representatives of your organization are encouraged to attend so that we can recognize you and thank you personally for your support.

Attached is the partners tier sheet & synopsis of the event. Please visit our page at GainesCon.com to review all that we have to offer so far and GainesEntertainment.com to view our award-winning series, "A World of Worlds". You may reach us at 941-417-9634 or at gainescon@gainesentertainment.com. Thank you and I look forward to hearing from you soon.

Warm regards,

Barry G. Gaines

GAINESCON

The Action, Sci-F, Fantasy & Horror Film Festival

This annual 2 day event is geared to the content creators of independent filmmaking from locally to around the world. Creators who share in the interest of making exciting material from the world of action, sci-fi, fantasy & horror.

The event will hold workshops, premiere movie screening, and an award show. Most winners will receive our premium Red Dragon & Gold Dragon Trophy, originally designed by Mr. David Jennings of Ireland. I also intend to include a guarantee online distribution deal for the Best Picture winner from one of my distributing partners, "My Production LTD – My Spotlight Independent". This is a feature many festivals do not offer. GainesCon's goal is to become a major player within the film festival circuit. I want to contribute towards to growth of various sectors within these genres and solidify our footprint within the global film market. So, with the support of partners and donations we can begin building this new and exciting event.
